JOIN THE CROWD.

Based on the legendary AKG K 141 Studio headphones favored by many of the world's best-selling musicians, and featuring many of the same advanced technologies, the new K 142 HD semi-open headphones deliver powerful, undistorted sound even at the highest listening levels. Rugged enough for professional environments and comfortable enough for hours of continuous use, the K 142 HD features extra-large speakers with Varimotion diaphragms for higher sensitivity and a wider dynamic range. Chances are, AKG headphones are how your favorite artists first heard their most famous tracks. Now it's your turn.
